

Jackie -

I just wanted to send a note from Chris and I to thank you and everyone at the Lord Thompson Manor for an absolutely incredible wedding weekend. As you could tell from my vast # of emails prior to the wedding, I was focused on all the little details. Little did I know I need not have bothered. From the moment we arrived, I feel like I had not a care in the world nor a detail to worry about. Everything I had questions on had already been handled. Anything we had planned time to finish was handled for us. All we had to do was relax and enjoy. Even with torrential rain outside I was unconcerned and with good reason

as the ceremony was more beautiful than I had imagined even if it had been outside. You guys are truly amazing. Everyone we have spoken to since continues to rave about the Manor and the stories keep coming in. Please pass along our thanks to the rest of the group:

Mike/Andrew - the food was delicious! You guys were so accomodating. I was afraid I wouldn't get into my dress & it was hard to say no to everything in front of me all week. It is easy to understand why all the awards!

Priscilla - I have no idea what you did with my hair but I haven't stopped hearing about how beautiful it was.
