

to Jackie & Andrew:

On Saturday = 7.7.07 = we attended the mesolello / mc Kenna wedding. Words cannot express what a wonderful experience this wedding was. Truly, a "dream-come-true" for the couple.

Attention to every detail = from beginning to end = is done with great taste & class. To try and itemize everything would take too long. Suffice it to say, the entire experience was beyond anyone's expectations.

Your wait staff are exceptional = working together flawlessly. The Ambiance & food presentation = exceptional. From Appetizers to desserts = delicious.

I will (& would) highly recommend the Manor to anyone. A special occasion held there will create an everlasting memory.

Sincerely

Ann
