Subject: thank you

Hi Andrew and Jackie (Ted and Mike),

We plan to write a more formal thank you to everyone at the Manor, but we wanted to shoot a quick note before its meaning might be gone. Everything was amazing! Might sound redundant, but this wedding was top notch and we couldn't be happier. You all have really set the bar high on executing weddings and it shows. We got countless thank you emails from guests, raving about the food, the staff and the decor. We are so pleased with everything and we cannot wait to get it all down in a more formal letter and send it to you.

Jackie- You made a little girls dream come true! The flowers, the linens, and the setup for the Rehearsal Dinner and Ceremony were right on point. For such time consuming task, you made everything look elegant and effortless. Thank you for having such great style.

Andrew-Thank you for holding my hand through all this and responding to my countless emails...a special thank you for the champagne at our dinner at the Pitcher Inn, it was such a nice touch.

Mike- We were wondering if we could all come up for dinner again....my stomach already misses you!
=)

Ted- I wonder if anything would have been on time this whole weekend if you were not there to make sure of it. Everything was in the right place, and where we needed it seems without even asking! Everyone asked me why I was so calm all weekend....I think we all know why, it was your constant reassurance that everyone and everything would be where it needed to be, before it needed to be there!

Thank you all for everything! Thank you does not seem like enough, but we mean it.

Warmly,

Nicholas and Arianna
