Dear Jackie and Andrew,

I am writing to thank you for the most beautiful wedding that a mother could wish for her daughter. While the weather was absolutely perfect, it was you and your staff that made the day spectacular! I realized long before the ceremony that we had nothing to worry about as you and your staff discreetly and professionally saw to every detail. All of our guests continue to say that it was the most beautiful wedding they have ever been to. I also cannot thank your staff enough. They were absolutely fantastic! Bruce's massage at the Spa and Ted's assistance and concern for my bad back helped me to make it through the evening and totally enjoy my daughter's wedding! Kelly was a sweetheart while Kimberly was getting her hair and makeup done. Everyone that stayed for breakfast remarked how lovely the setting was, how delicious all the food was, and that it was the most beautiful wedding they had ever been to! When Ted finished the morning with a tour of the kitchen and a history of the Manor, all our guest left with a smile on their faces.

Again, I just can't thank you enough for making our daughter's wedding so beautiful. It was truly a fairy tale wedding. All our guests are still in awe of the beauty of the Manor and how perfect everything was. Thank you for allowing us to have such beautiful memories.

Sincerely, Barbara and Bob Mastis
