

Dear Jackie + Andrew - Thank You for our Magical Wedding. Both of you went above and beyond to make our day an absolute dream. The Candy Bar, the 200 white roses you preserved from New Years, the candelabras, every little detail was taken care of - and our polaroid photo album capturing all the moments and words of Love from our friends + Family is priceless. We look at it often and we will cherish it for all our years together. I could not have imagined having our wedding any other place and you two made that possible for Randy and I. We truly thank you for all your generosity and thoughtfulness all through the preparation, the mass/ceremony, reception and Sunday's breakfast. - It was truly Spectacular -

And Jackie you out did yourself with all the photos - I knew you had connections but how did you make it snow!

Thank you, thank you, thank you.

We can't thank you enough - you helped us to create the Happiest Day of our Lives.

With Much Love,

Erin, Randy + Weigley
