

Dear Jackie, Andrew, Doug and staff!

We just wanted to write and tell you what an absolutely incredible job you all did at our wedding. We couldn't even begin to list all the ways you made our wedding the most beautiful day of our lives (but we have to try). The food was absolutely delicious - our guests have raved about it and about your incredible service throughout the reception. Thank you so much for doing a great job with our salad recipe and the caviar bar. And who knew the best after party sub on earth could be found at the Lord Thompson Manor?

The beautiful moment Jackie and Doug created for us to see each other for the first time was simply out of this world. We agreed that if the wedding had ended right then and there, it would have been enough. And did you special order those birds that were singing throughout our ceremony? We didn't see that on the bill :)

A special note of thanks to Doug for his unbelievable attention to detail - for taking such excellent care of the bride (and her bridesmaids - especially the vegetarian one!), for running to Ryan's hotel room to get something he'd forgotten, for always being two steps ahead of us and for his wonderful, and genuine warmth the whole way through. Doug truly went above and beyond his call of duty. He won us all over and I hope you do everything in your power to hang on to him!

Thanks to you and your staff, we can't even count all the precious moments we had throughout the weekend. One thing is for certain: every single moment we spent at the Lord Thompson Manor was pure magic. Never in all our planning for this day did we imagine our wedding would be so emotional, so unique, and so well done. And although we are sad that our time at the Manor was so brief, we look forward to looking at the photos we took for years to come. And every time we do, we'll remember you and the wonderful place you've created for people to be married. We feel truly privileged to have had our wedding day at the beautiful Manor!

Much love and thanks,  
Irina & Ryan Gott

p.s. You think you can keep this up for another 20-30 years or so? We'll be needing a place for our children's weddings!
