

Dear Andrew and Jacey -

We wanted to thank you for creating the perfect day for us. We came to the Manor with an idea of what we wanted our wedding day to look like and feel like. However, it came to life through your collective thoughtfulness and creativity. It was just the way we wanted to celebrate the occasion; surrounded by our closest family and friends in an intimate, elegant yet relaxed and comfortable setting. The Manor was that and so much more. Every last detail was thought of, Ted and Kelly were wonderful and made honorary members of our family, the setting was extraordinary, and the food was out of this world. You too crafted the perfect event from the moment we first entered the Manor to the morning we left. Thank you doesn't seem to truly capture what the weekend meant to us. We've received wonderful feedback from all who attended. Thank you for somehow knowing exactly what we wanted and creating it. We knew it would be memorable but you far exceeded even that. We're still enjoying the pictures and are putting our order together. We'll send one along soon. Thank you again.

Sincerely -

Joe & Kristina
