Dear Jackie,

*It is so unlike us to delay sending thank-you notes and it has just occurred to me why the struggle with sending you one up to this point happened ~ please accept my apologies for the tardiness in this matter.*

*What you did for Joscelyn & Artie's wedding was so far beyond anything we had imagined, expected or anticipated that it was simply mind boggling and emotionally overwhelming. Our heads are still spinning with all of the glorious moments from that enchanted evening at The Manor. The love and magic that was so evident through-out their wedding celebration was obviously a direct result of your amazing talent and attention to details as well as the fact that you took the time to truly understand what was going to make Joscelyn glow with happiness and then you executed it all to perfection! Joscelyn was the happiest we have seen her in many years, which by itself was an incredible gift. Thank you for your part in that. Thank you for caring.*

*You have given us a precious family memory that we will cherish forever...how does one thank someone for that?*

*Thank you for all that you did and gave to us ~ we appreciate it far more than we could ever put into words.*

*Most sincerely,*

*Kelli & Joe*
