Dear Jackie & Andrew,

When Susan and I began planning for our wedding we privately hoped that it would be spectacular. It is hard to put into words just how much the Lord Thompson Manor exceeded our loftiest dreams. The personal touches and utmost attention to every detail made our wedding truly perfect.

We were warned many times by friends and family that weddings can be extremely stressful, not ours! Our wedding was the most magical day of our lives! A major reason was the absolute confidence that Susan and I had in you and the entire LTM staff. Freak thunderstorm

knocks out power to half the manor, no problem! You assured us it would be fine and get fixed, and of course it was.

As Susan and I reflect on our magnificent ceremony and lovely reception, we feel lucky to have been in a place surrounded by people that wanted the very best for us on our special day (and we are not talking about our guests!) The whole staff was fantastic, Mike's food delicious and inspired, Kelly kind and welcoming, Ted full of passion which is wonderful and contagious.

The genuine care we felt from the LTM staff ensured our wedding weekend to be astounding.

Our most sincere thanks to you! Cheers,
Ladd & Susan Moore
