Subject: Thank You!!!

Dear Jackie & Andrew,

I am writing to you again, for the second time, to express how happy I was with our wedding experience at the Manor on 9.14.08. I recently received our pictures, and was able to relive the entire day over and over again...I cannot tell you how much I would love to do it all over again exactly the same way! It is not often that everyone attending your wedding has a blast, and we had that.

I am a hairdresser, and today spoke with a client who just booked her granddaughter's wedding with you in 2010, and I could not tell her enough great things about the Manor...I'm kind of hoping she needs a date!! :) You offer a truly unique experience, and Jeff and I both are waiting for the day we can come back.

Through the grapevine, I heard your New Year's Eve celebration was exceptional this year, as always I am sure! As much as Jeff and I were looking forward to returning to the Manor on New Year's Eve with some family and friends, we had something else to celebrate this year...we are welcoming a baby in June!! So, I have already booked childcare for next New Year's, and we are truly hoping to be able to come back and celebrate again!

Once again, for everything you did...thank you!
