Dear Jackie,
I hope this note finds you and yours well and happy.

It's hard to believe that a year has passed since Jen and Lucas' wedding. I was watching the wedding video today and reliving all the wonderful moments that made up Jen & Lucas' wedding weekend. Jim joined me for the viewing party, and we laughed, shed a few tears, and remembered how wonderful it was to work and get to know you, Andrew, Ted, Chef Mike, and Kelly. Some of our sweetest and heartfelt moments as Jen's parents occurred in your wonderful home, and I wanted to thank you again for working with us in giving Jen and Lucas a beautiful start to their marriage. We still hear from friends and family how truly wonderful and one of a kind Jen and Lucas' wedding day was. The 'newlyweds' are well and happy and very much enjoying their married life together. Please send our warmest wishes to Andrew, Ted, Chef Mike, and Kelly. Happy Valentine's Day!

Fondly,
Pam
