

Dear Jackie and Andrew,

We didn't start out looking for a storybook wedding but that's just what we ended up with thanks to you. I'm sure you hear this all the time but it is amazing how many people have called or written us to say we had the most wonderful wedding they ever attended. Our in-laws and that makes most importantly, had an experience were just thrilled - us happy. Emily and Bill few couples enjoy.

The other comment we hear over and over again is about the staff. People notice everything! They said firstly that everyone was so polite, so friendly, so helpful and so anticipatory. Several mentioned how neat they looked. The big hit was the black covered baskets for used glasses and dishes.

The food is still on my mind. It was not only abundant but fantastic. I already wrote Mike telling him how much my allergic sister appreciated the special care.

I could go on and on.. the ice-water bucket, the cold cloths, the candles. You have put so much effort into the details that your manor is almost magical. All of our guests were so happy to have had the chance to see and be a part of a celebration so special.

The two of you were so pleasant to work with from beginning to end. We cannot say thank-you enough for our wedding of a lifetime.

Fondly, Richard & Martha Chiarappa
