

Dear Andrew, Jackie, and Staff

We want to thank you all for working so hard on our wedding weekend! You made our wedding dreams a reality. The whole weekend was so magical from start to finish! Everything from the accommodations, to the food, to the organization (you are all pros!), to the celebrations were beyond our wildest expectations. Kelly and Ted were fantastic hosts to our family and friends. We continually receive compliments about the customer service you provide. I will never forget Ted

serenading me as Priscilla did my hair or how I heard Kelly ran into the intersection to give my aunt a pin for her dress before the wedding started!! We will have the happiest memories of this weekend for the rest of our lives.

Sincerely,  
Mr and Mrs Ronald

P.S. We hope to see you perhaps on New Years! Please keep us posted. Also, we are still interested in hearing Ted sing in Nov.! Please let us know details!
