Jackie and Andrew,

Thank you so much for such a fantastic weekend. We could not have imagined a more perfect wedding. Everything was just wonderful and all of our guests thought so too. We are still being told what a beautiful wedding it was and one of the best that many of them have ever been to. From the food to the decorations to the fire pits, you put all the little details together that make our wedding completely unforgettable, like it came right out of a fairy tale.

While you have an incredibly beautiful location at the Manor, that is not what made our wedding so wonderful. What made it wonderful were the two of you, Ted, and Kelly. I would have had our wedding anywhere just as long as we could have the four of you at our side. We would have been lost without Ted and Kelly's constant direction, support and reassurance. They really go above and beyond what is expected, and we all swear that Ted is some sort of mind-reading ninja who appears with whatever you were thinking you might want, hands it to you, and then disappears before you even realize that it was exactly what you wanted. You are all some of the kindest most genuine people we have met and are so thankful to have had you there on our special day.

I wish we could have stayed there in those moments forever. The Manor is a truly magical place and it has truly magical people running it.

Thank you so much, we will never ever forget it.

Sarah and Michael
