

Dear Jackie, Andrew and Doug -

I can't thank you enough for everything you did to give us an absolutely perfect wedding (including all your good Karma that brought us such beautiful weather.) The compliments from our guests and vendors have been pouring in - from the beauty of the venue to the attentiveness of the staff to the quality of the food. Everyone had such a great time and you really thought of everything.

Please feel free to use us as a reference anytime, we're still basking in the glory of the day! Steve & Lori
