Dear Ted, Jackie, Andrew and Kelly,

I hope this letter finds all of you settled down from a fabulous weekend, and probably getting ready for your next "gig". We needed to take this time to again say thank you for a fantastic weekend. From the minute we arrived we felt that we were treated like "special" people. When we visited a year ago, I had my concerns about the layout and format of the wedding. Yet, after this weekend, my concerns were proven to be not necessary. It was a fantastic weekend, from start to finish. I wish we could do it again. The rooms, the food, the friendliness, the service, and all the amenities were five star all the way. Ted, what can we say? You are a prize that is the essence of top quality. You truly don't skip a beat. Kelly, the Cottage experience was so relaxing. It was a pleasure to meet such an efficient person at such an important time of our children's lives. Finally, we can't forget the chef. Kudos to him and the kitchen staff, from breakfast, to lunch, to dinners and even to the after parties, and especially the "deserts". All the food was spectacular.

So, from the bottom of our hearts, on behalf of our children and families, please accept the biggest **"thank you"** we could possibly offer. Feel free to use us as a reference at any time.

May you all enjoy continued success and good health and happiness in the years and future to come.

God bless.
