Dear Jackie, Ted, Andrew, Chef Mike, Rick, and all the amazing LTM staff and affiliates,

We want to thank each of you for putting together the most amazing wedding ever. We know everyone thinks theirs is the best (just like "My baby is the cutest" syndrome), but it was hands down spectacular in every way. Not even ratched family members could taint something so wonderful. All your hard work and attentiveness to our wants was evident every step of the way. Though eloping probably would have been easier over all, we would not give this perfect memory up for anything and would do it all again without question. You are a seamless team perfected in the ability to bring dreams to life. For this you will always be in our hearts and part of the incredible event that was our union.

We hope you all have a wonderful holiday season and exciting New Year (and find time to rest and relax!). We hope to see you New Years 2012. . we will watch for our invite!

Sincerely yours,

MARC & Lauren
